Hi There! I'm Huseyin Seis I'm a Digital Designer based in London originally from Brighton. I have over 15 years of industry experience and I have worked on a vast range of clients in many industries from Fashion, Technology, Governenment Military, Health and more. This would be in a mixture of media from Advertising, Video Work and E-learning.

I've worked in different stages of design from Concept to production.

ABOUT

TEAMWORK ORIENTED

WORK EXPERIENCE

August 2021 - December 2026

REACH PLC

Senior Social Designer - Static & Motion

I joined Reach as a Middleweight Social Media Designer and was promoted to Senior Designer in less than two years. During my time there, I worked across all stages of the creative process, from art direction and concept development through to final production, delivering both static and video content. I worked across a diverse portfolio of brands, including The Mirror, The Daily Star, The Express, Curiously and Hear Me Out, taking on brand guardian responsibilities to ensure consistency, quality and creative direction across social outputs. I also worked on commercial creative campaigns for high-profile clients, such as Pride of Britain and Manchester United FC. In addition to my creative responsibilities, I played an active role in the management, mentoring and development of Middleweight Designers, helping to support their growth and maintain a high standard of creative output.

June 2020 - June 2021

GRAPHIC DESIGNER/ MOTION GRAPHICS

Freelance Digital/Social Designer

In this time I freelanced in motion Graphics production and Graphic Design working for MullenLowe and Wellcom.
I designed Social Media ads, Banner ads and homepage takeovers for the UK Government on two campaigns, the Covid-19 public information ads as well as the ads for for the UK's transition out of the EU aimed at businesses.

September 2011 - June 2020

TAG WILLIAMS LEA

Digital Designer

My Main role as a Digital designer at Tag was receiving briefs from Project Managers,Studio Managers and on some occasions Clients to produce HTML & Static banners, digital out of Homes and Social media ads both static and video. I worked in all areas of Production from creating guidelines and masters for adapts and localisation. I also worked in Design in which I would produce Designs for Master production and Bid work. This would also include Storyboarding, Video Editing, Motion Graphics, Banners, and Social Media. I worked on several accounts such as Loreal, Coty, Canon, Intel, Heineken, and Glaxo Smith Klein to name a few.

November 2007 - Septemeber 2011

LEARNING TECHNOLOGY GROUP (EPIC)

Graphic Designer

As a graphic artist my main role was to design, source amend photos and images used for E-learning programmes using Photoshop and illustrator, and also Flash

HOBBIES AND INTERESTS

I am a very enthusiastic cinephile with a big passion for East Asian cinema. This has led me to also have a passion for film making as a hobby which allows me to develop skills with camera and gimbal technology. I enjoy spending time with my family and traveling. Since living in London I have become more interested in Art from contemporary to classics, so I really enjoy visiting galleries and museums.
